Ch. 4: Thermophiles

### Revised in 2004:

Ch. 3: Geology

Ch. 7: Birds

Ch. 9: Winter use

### Updating the Information

Information about Yellowstone constantly changes; the information provided here is current as of March 2004. You can find updates and comprehensive information on the park website ([www.nps.gov/yell](http://www.nps.gov/yell)), in park publications and exhibits, or by asking the park's interpretive rangers who staff the visitor centers.

We welcome your feedback and comments.
